The following is an examiner's statement of reasons for allowance: The recitation of an apparatus for separating immiscible fluids and fines comprising a housing with an upstream inlet and downstream outlet; a separation chamber within the housing comprising a generally horizontal enclosure with a screw defining a helical passage, an upper aperture for passing the lighter fluid into an upper collection zone in the housing and a lower aperture for passing the fines into a lower collection zone in the housing; and a baffle between the housing and the separation chamber for directing a portion of the mixture into the separation chamber patentably distinguishes over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

A handwritten signature in black ink, appearing to read 'CU', with a stylized flourish extending to the right.
